Gil called the meeting to order at 6:01 p.m. Scott seconded the motion and the vote was affirmative.

**Public Participation:**

Patrick questioned why the Ice Castles were receiving preferred treatment. He wanted to know why town employees and town equipment are being called out on overtime specially to plow and sand Clark Farm Road. He doesn't feel they should come out for one entity.

The Board explained that they hired Sabourn and Tower surveying to determine the class of the road. Their finding came back inconclusive so the information has been forwarded to the town's legal counsel for determination and recommendations. Once the road is defined the Board will try to work out a maintenance agreement.
