Steve informed the Board that a band backed their vehicle across the new bricks at Soldier's Park to unload their equipment. Steve asked that each band be informed prior to playing that that area is for foot traffic only.

**Lost River Waterlines:**

The Board reviewed options for emergency spending to replace the waterline on Lost River Road. Due to the timeline to petition the court for a Special Town Meeting and the limited amount of fund balance the Board agreed that it would be in the best interest of the town to wait until Town Meeting in March.

Gil would like to know exactly how much money will need to be raised and appropriated so that the town will be prepared to begin work as soon as possible upon an affirmative vote at town meeting. Gil motioned to send out an RFP for the engineering and construction work immediately making it contingent upon approval at town meeting. Joel recommended lining up bond banks as well. Jim seconded the motion and the vote was affirmative.

The letter addressed a request made by Alexandra Scrosati-Wing to operate a small concession trailer in the parking lot of Mirror Lake Public Beach. The Board agreed that this is the property owner's decision and took the objection under advisement.
