PUBLIC NOTICE

ALL TOWN BUILDINGS CLOSED TO THE PUBLIC

March 17, 2020

ALL TOWN BUILDINGS WILL BE CLOSED TO THE PUBLIC BEGINNING TUESDAY, MARCH 17, 2020 (UNTIL FURTHER NOTICE)

We continue to actively monitor the COVID-19 situation, which is rapidly evolving. The Town is committed to the continued health and optimal safety of our residents as well as our employees, and we intend to do our part to “flatten the curve” of the COVID-19 pandemic. To that end, we have decided that effective Tuesday, March 17, 2020, all Town Buildings will be closed to the public until further notice.

In today’s world, most of the transactions for our residents can be completed online, by mail, or arranged via phone or email. Resident questions can and will be answered via phone or email. We already offer the ability to conduct many resident transactions online, including vehicle registration renewals, dog licensing, vital records, and the payment of taxes, water and sewer bills. We recognize that situations arise and that some town business cannot be conducted online such as marriage licenses, new motor vehicle registrations and transfers so as a last resort, you may schedule an appointment with Executive Assistant/Town Clerk, Judy Welch, to complete your transaction. Our Town Office will continue to be at your service via phone (603-745-8752 or 603-348-8752) or email admin@woodstocknh.org.

Of course, our Police and Fire Departments will continue to serve the residents of our Town on a “business as usual” basis; however, we ask that you please keep all non-emergency calls to a minimum so that they may devote their time to those residents in need of emergency services. If you have non-emergency COVID-19 related questions, please call 2-1-1 (a state hotline manned 24/7 specifically for such questions).

Note that all Town board and committee meetings are cancelled through April 2020 and future meeting dates will be reevaluated at that time.

We will be monitoring all local developments related to COVID-19, and as your Town Officials, we are committed to timely and ongoing communication about any and all changes to our operating status as well as any recommendations to the public from public health and other government officials.

The Town website address is www.WoodstockNH.org, and we encourage you to visit the website frequently for news and updates.
